QUALITY POLICY STATEMENT

Mamo Building Services Ltd (the 'Organisation') aims to ensure that its products and services always meet the needs of its clients in accordance with contractual requirements, its policies, and procedures.

Mamo Building Services Ltd.'s Management is committed to:

1. Develop and improve the Quality of products and services provided to its clients.
2. Continually improve the effectiveness of the organisation through a highly trained and flexible work force.
3. The enhancement of client satisfaction by striving to exceed their requirements.
4. Achieve on time delivery within cost agreed.
5. Quarterly Management Reviews on Quality, Health & Safety and Environment.

The management of Mamo Building Services Ltd has a continuing commitment to:

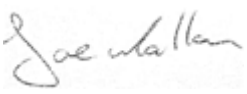

1. Ensure that client needs and expectations are determined and fulfilled with the aim of achieving client satisfaction.
2. Communicate throughout the Organisation the importance of meeting client's needs and all relevant statutory and regulatory requirements.
3. Establish the Quality Policy and its objectives.
4. Ensure that the Management Reviews set and review the quality objectives, and reports on the effectiveness of the processes through monitoring and measuring.
5. Ensure the availability of resources.

Mamo Building Services Ltd complies with all relevant statutory and regulatory requirements.

Mamo Building Services Ltd constantly monitors its quality performance and implements improvements when appropriate, whilst this Quality Policy is regularly reviewed to ensure its continuing suitability.

Copies of the Quality Policy are made available to all members of staff, whilst copies of the minutes of Management Reviews, or extracts thereof, are provided to individual members of staff in accordance with their role and responsibilities as a means of communicating the effectiveness of the Quality of products and services provided.

All personnel understand the requirements of this Quality Policy and abide with the requirements of our Internal Quality standards.
